

Want to join us at the VNCA Conference?

Hi,

Ready, steady ... GO! With the first quarter of the year gone already, we start the second quarter with a bang! That means the VNCA Conference, Lolly Month and many, many more exciting CARE activities to look forward to.

In this e-news:

PS: [Calling all brave pets nominations](#). Log in and tell us your favourite brave pet story!

1. Can you crack the cube?

Come and see us on the Bayer CARE stand (12 and 13 – we're right next to the internet station), enjoy a coffee on us, sit around on the Rubik's ottomans and have a go.

All you have to do is **join** Bayer CARE to receive your very own Advocate Rubik's cube. If you can crack the cube by matching the parasites controlled by Advocate, you will go in the draw to **win a fantastic prize**.

Already a **member** of Bayer CARE? **Great**, then come to the stand to receive your cube for your chance to win too!

We look forward to meeting you!

2. Check out our CARE roving reporters – LIVE

Not going to the VNCA Conference? Let CARE fill you in!

The Bayer CARE team, along with our very own CARE roving reporters – **Trudy Balstad and Dianne Aulich of Greenhills Veterinary Hospital** – are going to be filming and interviewing Vet Nurses and session speakers throughout the full three days of the VNCA Conference.

Stay tuned for CARE LIVE on our website that will showcase all of the happenings from the conference to keep you informed and in the loop!

3. May is Lolly Month!

Bayer CARE is sharing the lolly jar with all of its members and that includes you.

All you have to do is successfully complete one of our courses, long or short, and we will send you a gift of lollies to help keep you motivated to keep on learning.

Enjoy a sugar fix, courtesy of Bayer CARE.

*Lollies will only be available for courses completed in May 2010 and will be delivered during the first week of June 2010.

4. Is my owner crazy?

We know there are some pretty crazy owners out there but we thought you might enjoy these new images of pets being dressed up in weird and wacky ways by their owners.

Enjoy!

Continue to CARE in 2010! We want to hear your thoughts so head to our Forum and speak up, do one of our many courses and be more confident at work or vote for the bravest or cutest pet. PLUS check out our CARE news LIVE.

Till next time, keep on CAREing for the innocent animals that make us all so happy!
