Share CARE and WIN

Dear,

Fancy winning a trip to the Gold Coast? Well, you can.

Simply introduce a Vet Nurse friend to Bayer CARE and you and that friend could be winging your way to the Gold Coast for the VNCA Conference. It's that easy.

Competition closes on 9 April so you need to be quick! You and your Vet Nurse friend could attend the VNCA conference on the Gold Coast, at the Marriott Resort and Spa from 21 to 23 of April.

It's not too late.

During your three days at the VNCA Conference, in amongst attending the sessions and socialising with other nurses, we will require you to be CARE's roving reporter. But don't worry, our very own CARE staff will be there to record you and help you with what to say.

All we need is:

- You
- Your friend
- Your words.

Do you think you are up for this special job and WIN free flights, four nights' accommodation and three days' registration, as well as a ticket to the annual dinner? Of course you are!

To go in the draw, all you have to do is:

- Tell your fellow Vet Nurse friends about CARE.
- Get them to sign up and then in the 'How did you hear about us?' section on the registration page, get them to select.

Make sure they **type in your first and last name** in the relevant field and you are both automatically entered in the draw to WIN.

Get your friends signing up today!

[Click here](#) to find out more.

We look forward to having you on our CARE team during the VNCA Conference.
